## 2006 Pastors' and Marketplace Leaders Summit

Dear Pastor or Marketplace Leader:

We want to invite you to the **2006 Pastors' and Marketplace Leaders Prayer Summit** at Shocco Springs, February 27th through March 2nd, 2006.

For the past **seven years** pastors and **Christian leaders** in our city have been praying together in a four-day retreat experience called a **Prayer Summit**. This four-day, life transforming experience, has had deep impact in dozens of individual lives and ministries throughout our city.

Our special guest-facilitator this year will be Dr. Doug Small. Dr. Small is a gifted teacher, an author of numerous books, a widely traveled evangelist, and a unique communicator. Dr. Small and his team will lead us in four incredible days of growing and experiencing God's presence through prayer.

***This year we are inviting Marketplace Business Leaders into the Summit experience.*** Many cities around the United States currently host yearly Prayer Summits for Market Place Leaders. These are rich times of God's refreshment, vision, and encouragement to Christian business leaders. While Marketplace leaders are welcomed to participate in the entire Prayer Summit experience, Tuesday evening (February 28th) through Wednesday evening (March 1st), has been designated as a special time for Marketplace leaders to share in the overall summit experience.

Whether you are a pastor, para-church ministry leader, church staff member, or a Christian business person, we hope you will make plans to be a part of the **2006 Pastors' and Marketplace Leaders Prayer Summit**.

Sincerely,

Paul Lawler
