## 2007 Greater Huntsville Pastors Prayer Summit

Dear Pastor or Ministry Leader:

We want to invite you to the **2007 Greater Huntsville Pastors' Prayer Summit** at Camp Sumatanga, February 26th through March 1st, 2007.

For the past **eight years** pastors and **Christian leaders** in our city have been praying together in a four-day retreat experience called a **Prayer Summit**. This four-day, life transforming experience, has had deep impact in dozens of individual lives and ministries throughout our city.

Our special guest-facilitator this year will be Dennis Fuqua. Dennis provides leadership to International Renewal Ministries (IRM), which has been instrumental in working with pastors and leaders in cities across the nation in facilitating corporate prayer with diverse Christian leaders resulting in profound impact. Dennis and his team will lead us in four incredible days of growing and experiencing God's presence through prayer.

Whether you are a pastor, para-church ministry leader, or church staff member, we hope you will make plans to be a part of the **2007 Greater Huntsville Pastors' Prayer Summit!**

Expectantly,
